

# Connecting to Zoom meetings & tips

1. After launching the Zoom invitation hyperlink, it will redirect to a page in a browser. Select 'join from your browser' option or you may open with Zoom app if the application is installed. Please copy and paste the following hyperlink into a browser to see a quick overview on how to join a Zoom meeting

2. Enter your name and click Join or you may be asked to register to Join

A screenshot of a Zoom web interface. At the top left is the 'UCLA Health' logo. At the top right are links for 'JOIN A MEETING', 'HOST A MEETING', 'SIGN IN', and 'SIGN UP, IT'S FREE'. The main content area has a light gray background with a white box in the center. Inside the box, the text reads: 'Please enter your name to join the meeting'. Below this is a text input field labeled 'Your Name' containing the text 'Kenny S'. Below the input field is a blue button labeled 'Join'.

3. Next you'll have the option to join the call via Phone or through Computer Audio. We recommend dialing into the meeting over computer audio.  
(Please remember to mute your audio when not speaking)

4. To start chat, select chat from menu bar and type text into prompt, press enter or return key to send message

5. To raise hand, select participants from menu bar then choose "raise hand"
